T.N.: [a] In the Russian it is clear that the verb refers to
repeated meetings. In context it might have to be
translated "was meeting", "has been meeting", or
"had been meeting."

[b] It is difficult to tell what word this "...VIKIYa"
is the end of or in what case the word stands.
The possibility of a garble cannot be excluded.

Comments: [i] VIKTOR: Lt. Gen. P.M. FITIN.

[ii] IMPERIALIST: Unidentified.

[iii] KAPRAL: Edward R. STETTINIUS, Jr.
